STARTING TO ADVANCED TRAINING

Now accepting a limited number of horses into the training program. Please call 740-687-5570 or 215-2855
To request a registration packet.

DAY 1– Building a Strong Foundation using ground work and round pen reasoning for better control, ground Manners and developing a soft response.

DAY 2– Horsemanship learning to yield to the bit, taking ground work to the saddle.

DAY 3– Horsemanship utilizing a simulated obstacle course (tarps, poles, barrels, etc.) to enable your horse to handle scary situations out on the trail. The clinic will be followed by a 1 hour trail ride, challenging your horse's knowledge learned in the clinic.
